COMMUNICATIONS:

Letter of Disclosure: Ms. Ginger D. Schröder

Dear Legislators:

This letter is to advise you that I am the duly elected, qualified and acting County Legislator of District #3 of the Cattaraugus County Legislature.

It is also to advise you that for the past four years I have served as a volunteer in an investigative/resource role with the Society for the Prevention of Cruelty to Animals in Cattaraugus County. In that role I assist with animal cruelty calls involving equines and farm livestock, provide resources to the organization for such calls and handle issues relating to advice with respect to the applicability and scope of Article 26 of the New York State Agriculture and Markets Law. In that role I am also often called upon by the deputies with the Office of the Sheriff to assist them in cruelty calls with advice and resources and/or by attorneys with the District Attorney's Office on evidence gathering/resources.

This letter serves also to advise you that I previously served as outside counsel to the County. My law firm attempted to conclude up all matters for the County prior to my assumption of legislative office. However, one small matter (Note: name of lawsuit omitted from minutes by order of the County Attorney pursuant to confidentiality requirements) had settled but the matter languished awaiting dismissal documents from the New York State Human Rights Division, which were finally received by my office this week. No legal work was done on this matter since December 31, 2019 by anyone in my office to my knowledge, until this week. My law firm will not be billing for the small amount of logistics work completed this week to conclude this matter.

This letter is intended as a written disclosure of my official capacities as required by Section 803 of the General Municipal Law.

Sincerely,
Ginger D. Schröder, County Legislator

Sullivan County Legislature: Resolution No. 90-20, Supporting the "Emergency First Responders Privacy and Protection Act" (S.7280/A.09107); Resolution No. 99-20, Calling on Governor and New York State Legislature to Preserve the Zero Percent Medicaid Growth Cap for all Counties and New York City.

**RESOLUTION OPPOSING THE GOVERNOR'S PROPOSED MEDICAID
COST-SHIFT AND CALLING ON THE GOVERNOR AND NEW YORK STATE
LEGISLATURE TO PRESERVE THE ZERO PERCENT MEDICAID GROWTH**

Pursuant to Section 153 of the County Law.

WHEREAS, Medicaid is the single largest cost-center in the Cattaraugus County budget, at \$19.5 million per year, an amount equivalent to 35.2% of the County's 2020 property tax levy, and

WHEREAS, when created by the federal government in 1966, this health insurance program for the poor and disabled was intended to be funded by the federal and state governments, but New York State opted to force counties to pay half the State's share, and

WHEREAS, the required county and New York City payment is now \$7.6 billion annually, and

WHEREAS, the local share of Medicaid funding paid in New York is the highest of any state in the country, and is more than what 43 individual states pay in state share for their Medicaid programs, and

WHEREAS, this large local funding share for Medicaid and other state programs is a major contributor to New York's high local tax burden compared to other states, and

WHEREAS, in 2005 the Governor and legislative leaders recognized the fiscal burden the financing of Medicaid is for local taxpayers and initiated steps to relieve part of that burden by capping the growth in local costs in this program, and

WHEREAS, one of the most prominent property tax reduction and mandate relief initiatives in state history was Governor Cuomo's establishment of the zero percent Medicaid growth cap in 2015, and

WHEREAS, due to rising costs of health services and pharmaceuticals, and due to New York State's expansion of Medicaid services and mandatory raises for health care workers, the Medicaid budget is facing billions of dollars in annual deficits over the next several years, and

WHEREAS, the Governor's Executive Budget Recommendation is proposing a variety of ways to address this fiscal shortfall, including cost-shifting the State's financial responsibilities onto county property tax payers by:

- Taking county governments' federal enhanced Medicaid match savings;
- Forcing counties to pay for Medicaid growth if counties breach the state property tax cap;
- Shifting the local share of Medicaid growth above 3% to counties, if counties cannot contain costs under 3%;

and

WHEREAS, counties do not have the tools nor authority to control the Medicaid program growth and are limited by:

- The ability to audit the Medicaid program;
- The ability to control the cost of prescription drugs;
- The ability to set provider reimbursement rates;
- The ability to modify eligibility and benefit levels for Medicaid recipients;

- The ability to control changing demographics across the state;
- The ability to control provider contracts;

and

WHEREAS, if state experts in the Medicaid program are unable to develop solutions to control growth in the Medicaid program, it will be impossible for counties to do so, since they do not have this authority to control costs, and

WHEREAS, if enacted, the Governor's proposals will, in effect, nullify the property tax cap, now, therefore, be it

RESOLVED, that the Cattaraugus County Legislature opposes the cost-shifts and the taking of eFMAP federal funds for counties proposed by the Governor, and urges the Governor and legislative leaders to maintain the zero percent Medicaid growth cap for counties and New York City as they address state budget shortfalls in order to keep downward pressure on the local tax burden, and be it further

RESOLVED, that the Clerk of the Legislature be, and hereby is, directed to forward copies of this resolution to Governor Andrew M. Cuomo, the New York State Legislature, and all others deemed necessary and proper.

OPPOSING GOVERNOR CUOMO'S PROPOSED ABROGATION OF HOME RULE

Pursuant to Section 153 of the County Law.

WHEREAS, New York State is a Home Rule State, and pursuant to Article IX of the New York State Constitution, it is the County's obligation to protect the health, safety and welfare of citizens of our community, and

WHEREAS, Governor Cuomo has proposed *an Act*² which removes local home-rule rights and controls that could potentially harm local economies and environments, and

WHEREAS, the proposed Act was added to the State Budget proposal only after budget hearings were completed, giving State Legislators insufficient time to examine the proposal and identify its negative consequences, and

WHEREAS, ²the proposed Act goes too far by essentially gutting Article 10 and empowering the State to force projects into local communities that may not want them, or withhold projects from communities that may want them, and

WHEREAS, the proposed Act would:

- Create a new State bureaucracy to handle the permitting projects, which would not be responsive or accountable to the local communities impacted;
- Remove the voices of the local citizens and their elected representatives from the siting process;
- Endanger the ability of local governments to receive fair property tax revenues;

- Allow corporations whose proposals are already going through the Article 10 process to opt into the new fast-track process, thereby avoiding legitimate and valid objections and concerns of the local impacted communities and circumventing vital processes that hold project proposers accountable; now, therefore, be it

RESOLVED, that the Cattaraugus County Legislature strongly opposes the Accelerated Renewable Energy Growth and Community Benefit Act and urges the New York State Legislature to reject the proposal, and be it further

RESOLVED that the Cattaraugus County Legislature hereby urges the New York State Legislature to respect the Home Rule Authority of local governments as provided in the New York State Constitution, and be it further

RESOLVED, that copies of this resolution be sent to the counties of New York State encouraging member counties to enact similar resolutions, and be it further

RESOLVED, that the Clerk of the Cattaraugus County Legislature is hereby authorized and directed to forward copies of this resolution to Governor Cuomo, the New York State Legislature, New York State Association of Counties, Senator Borrello, Assemblymember Giglio, and all others deemed necessary and proper.
